

Hop Head Tours Announces Chicago Beer Tour

Madison and Milwaukee, WI – Hop Head Tours has announced their 4th installment of the Chicago Beer Tour for the weekend of February 25th and 26th, 2017.

The Chicago Beer Tour has departure locations in Madison and Milwaukee and features a motorcoach trip down to Chicago to visit 6 breweries, 1 distillery and Binny’s Beverage, Chicagoland’s largest purveyor of beer, spirits and wine. Highlights of the weekend tour include a brewer led beer tasting at Cruz Blanca Cerveceria, famed Chef Rick Bayless’ new taqueria and brewpub, beer paired brunch at the Haymarket Brewpub and time spent in the “Adult Daycare” at Lagunitas Chicago Brewery with their tasting and tour. Guests will also have the opportunity to explore the dining and nightlife of Chicago’s near West-side. Hop Head Tour’s knowledgeable Tour Ambassadors host the tour, narrating the journey with beer and alcohol history so that guests go home with a deeper foundation of knowledge of how our alcohol industry came to be as it’s known today.

Shirley Galstead-Roh, a seven tour veteran with Hop Head Tours has this to say about her experience: “Hop Head Tours does everything right! No detail is left to chance. The tours are true to the mission of Hop Head Tours; beer education, safety and fun are combined to make for a great experience.” Shirley goes on to say, “We liked the sense of community on the bus and Justin and his team are always available to answer questions or concerns. We have recommended Hop Head Tours to family and friends without any hesitation.”

Hop Head Tours, founded in 2010, offers regularly scheduled local bus and bike tours in Madison and Milwaukee, as well as motorcoach trips throughout the Midwest to explore our fermentation heritage and history.
